Personal Information

Surname(s) / Name(s) **PASELLO GIULIA**

TAX CODE PSLGLI79R57L407G

Nationality Italian

Date of birth 17/10/1979

Gender Female

Tel +390498215608

Email giulia.pasello@iov.veneto.it

Mother tongue Italian

Other languages English: excellent reading, writing, speaking

Work experience

Dates 11/01/2021 – current position

Occupation or position held Assistant Professor in Oncology

Name and address of employer University of Padova, Department of Surgery Oncology and Gastroenterology

Dates 07/01/2014-10/2021

Occupation or position held Associate Medical Director

Main activities and responsibilities Clinical and research activity in thoracic oncology

Name and address of employer Second Medical Oncology Unit, Istituto Oncologico Veneto, Via Gattamelata 64, 35128 Padua (Italy)

Type of business or sector Medical Oncology

Dates 01/02/2010- 06/01/2014

Occupation or position held	Medical Oncologist (with contract)
Main activities and responsibilities	Clinical and research activity in thoracic oncology
Name and address of employer	Second Medical Oncology Unit, Istituto Oncologico Veneto, Via Gattamelata 64, 35128 Padua (Italy)
Type of business or sector	Medical oncology
Dates	01/07/2009 - 01/12/2009
Occupation or position held	Fellow
Main activities and responsibilities	Basic research about malignant pleural mesothelioma
Name and address of employer	Molecular Oncology laboratories, University of Zurich (Switzerland), Prof. Rolf Stahel
Type of business or sector	Molecular Oncology
Dates	01/07/2008 - 31/12/2008
Occupation or position held	Resident in Medical Oncology
Main activities and responsibilities	Clinical management of oncological pediatric patients
Name and address of employer	Pediatric oncohematology, University of Padua (Italy)
Type of business or sector	Pediatric Oncology and Haematology
Dates	01/07/2007 - 31/12/2009
Occupation or position held	Resident in Medical Oncology
Main activities and responsibilities	Clinical management and research in Oncology
Name and address of employer	Second Medical Oncology Unit, Istituto Oncologico Veneto Padua (Italy)
Type of business or sector	Medical Oncology
Dates	01/01/2006 - 30/06/2007
Occupation or position held	Resident in Medical Oncology
Main activities and responsibilities	Basic and translational research in oncology
Name and address of employer	Oncological and Surgical Science Department, Oncology Section, University of Padua (Italy)

Type of business or sector Molecular Oncology

Education and Training

Dates 01/01/2012-31/12/2014

Title of qualification awarded PhD

Principal subjects/occupational skills covered Neoangiogenic biomarkers and therapeutic targets in malignant pleural mesothelioma

Dates 01/01/2006 - 31/12/2010

Title of qualification awarded Residency in Medical Oncology

Principal subjects/occupational skills covered Medical Oncology

Name and type of organisation University of Padua (Italy)

Dates 01/10/1999 - 11/10/2005

Title of qualification awarded Graduation in medicine and surgery

Name and type of organisation University of Ferrara (Ferrara, Italy)

Number of medical register subscription TV04727

Other training experiences

March 2014: admitted at the 13th ESO ESMO Masterclass in Clinical Oncology where she attended plenary lectures regarding state-of-the-art clinical evaluation and treatments in oncology. As a selected participant the applicant presented a research abstract which was selected for publication and had the opportunity to present and discuss with the faculty clinical cases of thoracic cancer.

Research activities:

Experience in clinical trial participation according to GCP rules:

- Past and present role of Principal Investigator of about 20 clinical trials in the field of thoracic oncology (Lung Cancer, Malignant Pleural Mesothelioma, Thymic malignancies).

- Past and present role of Co-Investigator of about 40 clinical trials in the field of thoracic oncology;

- Clinical and translational research projects design and conduction.

Awards and Grants

- 2015: recipient of My First AIRC (Associazione Italiana Ricerca sul Cancro) Grant for the translational project “MET-targeting in Small Cell Lung Cancer)

- 2014 ‘Saro Leggio’ award of the Associazione Italiana Ricerca Patologie Polmonari (AIRPP) for translational study of malignant pleural mesothelioma

- 2010: recipient of ESMO (European Society for Medical Oncology) translational research fellowship award for the project “Identification of novel molecular targets and biological agents for the chemotherapy of Malignant Pleural Mesothelioma”

Teaching activity

- Contract professor at the Residency School in Medical Oncology (University of Padova). Teaching: “Medical Oncology: neuroendocrine tumors”

- Assistant supervisor of several thesis works for graduation in Medicine and Surgery and residency in Medical Oncology

- Part of teaching staff at the PhD program in Translational specialistic medicine “G.B. Morgagni)

Clinical activity

- Diagnostic-therapeutic pathway planning and first outpatient visits of patients affected by lung cancer, malignant pleural mesothelioma, thymic epithelial tumors and

neuroendocrine thoracic cancers. Number of new cases/year referred in 2019: 300

Secretary of the multidisciplinary team in thoracic oncology. Number of patients discussed in 2019: 800

List of publications Full paper publications (last update 23/mar/2022)

Number of publications: 87

H-index: 20
